

TECHNICAL DATA SHEET

PRODUCT : FIGURE OF 8
REF. NO. : RV-FO8-431

DOC. NO. : RV/TDS/FO8/431

ISSUE : 01-19

REVISION : 01

DATE : 13-03-2020

Physical Parameters	General		- Figure of 8 is an economical anodized descender for light duty use. - Manual descent device usable with Ø 8 to 11 mm twisted rope. - Reliable and lightweight for rescue and quick evacuation. - Size of eye: inner dia Big 52 mm (2"), small dia 26 mm (1") - Attachment point can accommodate a connector up to Ø 16 mm.
		Weight	136.0 gm ± 10gm
Metallic Assembly		Material	High strength Aluminium alloy (Heat treated)
		Surface Finish	Anodized
		Breaking Strength	50 kN (Min.)/ 11000 lbs
Load Capacity			136 Kg/ 300 lbs (Maximum)
